

Ordering Process

For this example, we are using the Blue Lace Agate Spheres

From the left side category menu select your crystal.

Then click on the product you would like to purchase. You can see that the Blue Lace Agate Spheres are priced per kg.

In the quantity box you can order the amount (in weight) you would like. In this example we have entered 0.75 for 750grams.

Blue Lace Agate

\$440.00 per kg

0.75

Add to basket

SKU: AGBL S1 Category: Blue

When you proceed to the checkout there is a box for additional information. Here you can let us know the quantity that you would like for the items that you have ordered that are priced per kg or per gram.

Additional Information

Order Notes

Blue lace agate spheres can I please have 2 spheres for the 750grams Thanks
